1. Introduction

NEXUS LOGIX Ltd is a premier logistics and freight forwarding company, specializing in providing comprehensive transportation solutions for businesses worldwide. With a commitment to excellence and customer satisfaction, it delivers seamless and efficient logistics services, ensuring that goods reach their destination safely and on time.

2. Company History

Founded in 2024, NEXUS LOGIX Ltd has grown from a small regional freight forwarding company into an increasingly capable player in the logistics industry. With three years of experience, NEXUS LOGIX Ltd has established a robust network of partners and a reputation for reliability and professionalism. Our journey began with a vision to simplify the complexities of international shipping, and we have since evolved into a full-service logistics provider.

3. Services We Offer

NEXUS LOGIX Ltd offers a comprehensive range of logistics services tailored to meet the diverse needs of our clients. Our services include:

- **Freight Forwarding:** Air, sea, and land freight services with flexible options to accommodate various cargo types and sizes.
- **Customs Clearing Services:** Expert management of customs procedures and regulations to facilitate the smooth entry and exit of goods across borders.

Our customs clearing services include:

- **Documentation Preparation:** Assistance with accurate and timely preparation of all required customs documents.
- **Tariff Classification:** Expert classification of goods to ensure compliance with customs tariffs and duties.
- **Duty and Tax Calculation:** Precise calculation of duties, taxes, and other fees, helping clients avoid unexpected costs.
- **Customs Compliance:** Ensuring all shipments meet the regulatory requirements of the destination country, reducing the risk of delays and penalties.

- **Problem Resolution:** Swift resolution of any issues that arise during the customs process, minimizing disruptions to the supply chain.
- **Warehousing & Distribution:** Secure storage solutions and efficient distribution services to streamline the supply chain.
- **Supply Chain Management:** End-to-end solutions to optimize the supply chain and enhance operational efficiency.
- **Cargo Insurance:** Comprehensive insurance options to protect against potential losses during transit.
- **Specialized Logistics:** Handling of hazardous materials, perishable goods, and oversized cargo with specialized care and expertise.

4. National and International Partnerships

International Mining Logistics & Supply Chain

NEXUS LOGIX LTD is building a strong position as a strategic logistics and supply-chain partner for Rwanda's mining sector, connecting mineral producers and international buyers through reliable, integrated, and efficient logistics solutions.

The company has established contractual relationships with a growing portfolio of national and international mining companies, facilitating the movement of mineral cargo from the Rwandan market to key international destinations, particularly the Chinese market. Our operations encompass customs clearance, export documentation, inland transportation, cargo handling, shipping coordination, and end-to-end logistics management, enabling clients to move their consignments efficiently from source to international ports.

Our principal Chinese destinations include major commercial and maritime gateways such as Huangpu, Xinhui, Shanghai, and Nansha, providing connectivity between Rwanda's mineral supply chains and established international trading and manufacturing markets.

Among our national mining-sector clients and partners are **SUNRISE METAL LTD, DERICK MINING LTD, and RH MINING LTD**. Our international business relationships include **YINCHUAN KINFINTRA LTD, HONG KONG MINETRACO LTD, and SHENZHEN PHINIC NEW MATERIALS CO**. These relationships demonstrate NEXUS LOGIX LTD's growing capacity to operate across borders and coordinate multiple stakeholders within the international mining logistics ecosystem.

With its experience in Freight Forwarding and Logistics, NEXUS LOGIX LTD is positioned to strengthen the connection between Rwanda's mineral-producing sector and global markets. The company aims to expand its international logistics network, develop strategic partnerships, increase cargo-handling capacity, and provide increasingly integrated supply-chain solutions to mining companies and international commodity traders.

Investment Perspective: NEXUS LOGIX LTD represents an emerging logistics platform with opportunities for growth through expanded fleet and cargo capacity, strategic international partnerships, digitalization of logistics processes, and increased participation in regional and international mineral supply chains. The company's developing Rwanda–China logistics corridor provides a foundation for scaling its operations and supporting the growing demand for efficient cross-border movement of mineral commodities.
